CPC30220

CERTIFICATE III IN CARPENTRY

CPC30220 Certificate III in Carpentry
CRICOS COURSE CODE: 118334J

COURSE DESCRIPTION

This is a trade qualification for carpenters in residential and commercial workplaces. It includes setting out, manufacturing, constructing, assembling, installing and repairing products made using timber and non-timber materials.

State and territory jurisdictions may have different licensing, legislative, regulatory or certification requirements. Relevant state and territory regulatory authorities should be consulted to confirm those requirements.

TARGET MARKET

The target market for this course is international students who:

- possess an appropriate visa that allows them to study at an Australian registered CRICOS provider.
- wish to undertake this course to access further study or employment opportunities.
- have successfully completed year 12 or secondary studies in their home country or in Australia.
- possess little or no vocational experience.
- are 18 years of age at course commencement.
- are comfortable undertaking learning and assessment activities via face-to-face classes, independent study and work placement.
- can participate in learning and assessment activities for approximately 26 hours per week over 46 weeks term time
- are physically fit to complete manual tasks such as moving objects while applying manual handling techniques.

COURSE STRUCTURE

Students are required to undertake a total of 34 units to complete this course. This comprises 27 core and 7 elective units.

CORE UNITS

CPCCCA2002	Use carpentry tools and equipment
CPCCCA2011	Handle carpentry materials
CPCCCA3001	Carry out general demolition of minor building structures.
CPCCCA3002	Carry out setting out.
CPCCCA3003	Install flooring systems.
CPCCCA3004	Construct and erect wall frames
CPCCCA3005	Construct ceiling frames
CPCCCA3006	Erect roof trusses
CPCCCA3007	Construct pitched roofs
CPCCCA3008	Construct eaves
CPCCCA3010	Install windows and doors
CPCCCA3016	Construct, assemble and install timber external stairs
CPCCCA3017	Install exterior cladding
CPCCCA3024	Install lining, panelling and moulding.
CPCCCA3025	Read and interpret plans, specifications and drawings for carpentry work
CPCCCA3028	Erect and dismantle formwork for footings and slabs on ground
CPCCCM2006	Apply basic levelling procedures.

CPCCCM2008	Erect and dismantle restricted height scaffolding
CPCCCM2012	Work safely at heights
CPCCCO2013	Carry out concreting to simple forms
CPCCOM1012	Work effectively and sustainably in the construction industry
CPCCOM1014	Conduct workplace communication
CPCCOM1015	Carry out measurements and calculations
CPCCOM3001	Perform construction calculations to determine carpentry material requirements.
CPCCOM3006	Carry out levelling operations
CPCCWHS2001	Apply WHS requirements, policies and procedures in the construction industry
CPCWHS3001	Identify construction work hazards and select risk control strategies.

ELECTIVE UNITS

CPCCCM2002	Carry out hand excavation
CPCCSF2004	Place and fix reinforcement materials
CPCCCA3012	Frame and fit wet area fixtures
CPCCOM1013	Plan and organise work
CPCCON3048	Construct tilt panels on site
CPCWHS1001	Prepare to work safely in the construction industry.
CPCCCM3001	Operate elevated work platforms up to 11 metres

COURSE CURRENCY STATUS: Current

LOCATION

Training and assessment will take place at the Gippsland Institute of Technology 4/70 Main Street, Pakenham Melbourne Victoria 3810, 3 Carmart Way Pakenham Victoria, 15-17 Racecourse Road North Melbourne Victoria. Students are also required to undertake some training and assessment activities in their own time.

COURSE INTAKES

Intakes throughout the year. Contact the Institute for details.

QUALIFICATION

Upon successful completion of all the units of competency in this course, students will be issued a CPC30220 Certificate III in Carpentry testamur and a Record of results. If a student successfully completes some but not all of the units of competency in the course, they will be issued a Statement of attainment indicating the units they have successfully completed.

DELIVERY METHODS

The course is delivered via face-to-face training and independent study. The following techniques are employed during face-to-face delivery depending on the subject matter: trainer demonstrations, power point presentations, individual tasks, research, role plays, practical demonstrations, and group work. The context of the simulated workplace environment will be incorporated into delivery methodologies and student's complete tasks to workplace standards.

Students also undertake independent study and assessment activities in addition to scheduled classes. Examples of activities include undertaking homework set by trainers, research, reading, practicing applying knowledge and skills learnt in class, and preparing for and undertaking out of class assessment tasks.

ASSESSMENT METHODS

Assessment methods used include knowledge questions, reports, research activities and practical demonstrations/ observations. Methods also include simulated workplace environments whereby workplace environments and conditions are simulated and

student student's complete tasks to workplace standards.

COURSE DURATION

This course is offered over two different durations:

52 weeks including holidays. This includes 46 weeks of term time and 6 weeks' holidays. Term time consists of two 12-week terms and two 11- week terms. Holiday periods include one 2-week Christmas holiday and one two week and two 1- week term holidays.

36 weeks including holidays. This includes 34 weeks of term time and 2 weeks' holidays. Term time consists of two 17-week terms. Holiday periods include one 2-week term holidays. Depending on intake a two week Christmas break may also be included.

COURSE HOURS AND COMMITMENT

52 WEEK COURSE DURATION: During term time students attend scheduled face to face classes for 16 hours per week. Students will be required to undertake additional independent study and assessment activities completed outside of the classroom for approximately 10 hours per week. Independent study is a mandatory part of the course. Total study commitment per week is 26 hours per week (30 hours per week if attending supervised study sessions).

36 WEEK COURSE DURATION: During term time students attend scheduled face to face classes for 24 hours per week. Students will be required to undertake additional independent study and assessment activities completed outside of the classroom for approximately 12 hours per week. Independent study is a mandatory part of the course. Total study commitment per week is 36 hours per week (40 hours per week if attending supervised study sessions).

Face to face classes is scheduled during the day or night or mixture of both. Day time classes are 8 hours and night classes are 4 hours in duration. Day classes operate from 8.30am to 5.30pm and night classes 6.00 to 10.00pm.

Students also have the option of attending a supervised study session for 4 hours per week.

ENTRY REQUIREMENTS

Students must be over 18 years of age at the time of course commencement. Students must secure an appropriate visa that allows them to study in an Australian Registered Training organisation prior to course commencement.

ACADEMIC ENTRY REQUIREMENTS

To gain entry to this course, students should have successfully completed year 12 or secondary studies in applicant's home country equivalent to an Australian Year 11* or 12 qualifications. (*Subject to the country Assessment Level) and course.

ENGLISH LANGUAGE ENTRY REQUIREMENTS

Applicants for this qualification must have a minimum English language proficiency of IELTS 6.0 (overall band) or an equivalent exam result recognised by the Australian Department of Home Affairs. This entry requirement includes applicants demonstrating an mminimum of IELTS 5.5 in each component.

NUMERACY AND DIGITAL LITERACY ENTRY REQUIREMENTS

Applicants for this course should possess numeracy skills of ACSF level 2 and digital literacy skills of level 3. During the enrolment process your numeracy and digital literacy ability is assessed to ensure you can address course requirements.

RESOURCE ENTRY REQUIREMENTS

Students must supply their own laptop with Microsoft Office software e.g., Office 365 Personal that includes Outlook, Word, Excel, PowerPoint, & Publisher. Institute will confirm the software requirements with each student pre-enrolment. Students must supply their own safety shoes with protective toecaps.

PRE-TRAINING REVIEW

To ensure applicants are placed in a suitable course with an appropriate training and assessment strategy, we review applicants existing knowledge, skills, experience, and qualifications. You will be asked to complete this Pre-Training Review form during the enrolment process by providing details of your existing knowledge, skills, experience, and qualifications that are relevant to the course being applied for. This includes an assessment of your numeracy and digital literacy skills. This process helps us determine the most suitable course for you and identify any learning needs you may have and whether we can appropriate support these. Gippsland Institute of Technology will then review this information and respond to you with the outcome of the review.

RECOGNITION OF PRIOR LEARNING (RPL)

Recognition of Prior Learning is the process of formal recognition for skills and knowledge gained through previous learning. You may be eligible for recognition of prior learning for part or all your intended course, based on your previous experiences and

learning.

CREDIT TRANSFER

You may be eligible for a credit transfer if you have previously undertaken training through an Australian Registered Training Organisation. Students who have successfully completed whole units of competency with an Australian Registered Training Organisation that are identical to any of those contained within this course can apply for Credit Transfer.

TRAINING PATHWAY

Students who successfully complete this course may progress onto Certificate IV in Building & Construction OR Diploma of Building & Construction (Building).

EMPLOYMENT PATHWAY

This course provides participants with the skills to obtain the occupational position across various industrial sectors. Job roles and titles vary across these different industry sectors. Possible job titles relevant to this qualification include:

- Carpenter – Commercial
- Carpenter – Formwork
- Carpenter – Residential

Completing this course does not guarantee a graduate will secure a relevant job.

TUITION FEE (52 week course duration): \$26,000

TUITION FEE (34 week course duration): \$26,000

MATERIALS FEE: \$3,000 (Includes cost of learning materials and hire of tools).

ENROLMENT FEE: \$250

PAYMENT: On enrolment \$16,250 is payable of which \$250 is a non-refundable enrolment fee. The materials fee is non-refundable after students have commenced their course. \$13,000 is payable one week prior to the commencement of term 3 or to help manage the cost of your study Gippsland Institute of Technology offers a payment by instalments. This means you make small regular payments. Your first payment is required to confirm your enrolment in the course.

RECOGNITION OF PRIOR LEARNING FEE: Refer to Fees and refund procedure for details. All fees indicated are in Australian dollars.

WORK SHOES

The following suppliers sell work shoes. Refer to the sites for information on prices.
